# SAN MATEO HIGH SCHOOL PTO PRESIDENT'S WELCOME

Dear Parents,

On behalf of San Mateo High's Parent Teacher Organization (PTO), I extend a warm and enthusiastic welcome to the 2009/2010 school year.

San Mateo High School has a long-standing tradition of providing outstanding academic programs as well as excellent co-curricular opportunities. It is important that these traditions continue and improve in order to prepare our students to participate fully in an increasingly competitive and complex global society. To accomplish our goals, it is essential that the parents of our students feel connected to SMHS and a part of our school community.

One way the PTO assists the parents in making these connections is by providing the PTO Directory. This directory will prove to be a valuable resource to you throughout the coming school year. Contained in this booklet are the key contacts for all the SMHS parent/booster organizations, email addresses and voicemail numbers for SMHS staff and faculty, a calendar of events for the school year and attendance procedures.

Our PTO provides further opportunities for parents to connect with the SMHS community through:

- ◆ **Emails of the Daily Bulletin**
  - To be added to the Daily Bulletin email list, please send your name and email address to: [sanmateohighschool@hotmail.com](mailto:sanmateohighschool@hotmail.com)
- ◆ **PTO General Meetings**
  - Join other parents and faculty at PTO General Informational Meetings held in the evening at the school.
- ◆ **Grade Level Informational Evenings**
  - The goal of these evenings is to provide an opportunity for parents to get to know one another and to provide information on topics of interest to parents of a specific age group, i.e. freshman, sophomores, etc. These discussions are held at a private home and are a great way to meet people in a more social setting.
- ◆ **The "In Contact" Newsletter**
  - Provides information and updates on campus events and key school wide issues
- ◆ **The Student Directory**
  - Includes students' names, phone numbers and grade levels

I encourage you to become actively involved in your child's high school education; join the Parent Teacher Organization and one of the associated SMHS booster clubs. Come to meetings. Attend grade-level gatherings. Volunteer to help at one of the various parent-sponsored events during the year. Sign up to receive the Daily Bulletin. Check School Loop daily. Be involved, and experience the famous BEARCAT spirit first hand! Not only will your generous support help San Mateo High to build even stronger programs for your son or daughter, you will develop rewarding relationships with our teachers, staff and other SMHS families.

Please join us at our first PTO Parent Information Night on Tuesday, September 1, 2009, at 7:15 PM in the Library.

Warmest Regards,

Joanne Zongus, PTO President
